Bali is one of the best island for diving. It has many diving sites which can give you the wow factors. But how about snorkeling? The fact is the island of Bali has several snorkeling sites which can make you speechless. So if you want to see some wonderful underwater corals reefs with many kind marine life then comes to the island of Bali and get you self wet on these snorkeling places.

3 most wonderful snorkeling places in Bali

1. Menjangan island

This is like the best of the best in terms of snorkeling places in Bali. This place is so beautiful for diving and also for snorkeling. There is no snorkeling site like this anywhere around Bali. The water filled with beautiful corals and many colorful marine life.

2. Pemuteran beach

Pemuteran beach before is just a regular beach in north side of Bali where its water around its whites sandy beach was destroyed but after the reef project started a few years ago, this spot becoming one of the island best snorkeling destination.

3. Tulamben

Tulamben beach is one of the popular diving destinations in Bali because it has the wreck of the US Liberty on its seabed. But on this site visitors will be able to view the wreck while snorkeling above it. But off course if you want to view it closer you must have to dive.
