

Villa Windu Asri Seminyak

Villa Windu Asri Seminyak epitomizes the romance of the Far East with an intoxicating blend of luxury, history, grandeur and colonial ambiance no other villa can match. Designed and decorated in the sublime "Raffles Style," Windu Asri is the perfect place from which to explore Bali or where to simply relax and be pampered. The tropical garden, the white stone colonnades, the marble and wooden floors and the unique air of romantic grandeur will transport you back to a more elegant age, while the seamless service, contemporary technology and attention to detail is completely of our time.

Stained-glass side windows usher guests through the welcoming entrance portico into a lobby overlooking a large swimming pool and garden. Select from six large bedroom suites each with private en-suite bathrooms; four suites feature traditional four poster beds, while the others offer the choice of a super king size or twin single beds.

The option of air-conditioned indoor or outdoor dining areas is available, each capable of seating at least twelve diners. The Outdoor Pavilion is cooled by overhead fans and overlooks the large swimming pool; it features a comfortable lounge area with an adjacent bar for cocktail and beverage service. Conveniently located in a secure enclave in Petitenget with easy access to fine dining restaurants, chic bars and designer shops; Windu Asri ensures holidaying is a pleasure, a luxury of leisure - and any visit an indelible memory
